SEMINAR INFORMATION

Have you heard of the E.P.A – (Environmental Protection Agency) **Renovation, Repair and Painting Rule?**

This Rule is to address lead-based Paint hazards created by renovation, repair, and painting activities that disturb lead-based paint in target housing and child-occupied facilities. If your work involves buildings built before 1978, you will need to become EPA Certified

When:

Tuesday, February 9, 2010

8:00 a.m. – 5:30 p.m.

Visa, M/C, AMEX, Company or Personal Check or Cash are accepted forms of payment

Seminar Cost: \$225/tech

Certification Exam available

Continental breakfast and full lunch will be provided

ALL PAYMENTS ARE NON-REFUNDABLE – SUBSTITUTIONS ACCEPTED

There is limited seating and this class is filling up fast. To make your reservations today contact Kim at (603) 641.6555 or
